

Bioimaging Training Information Form

Name:

E-mail:

Lab:

Position:

Please be detailed!

Background Microscopy Experience:

Sample: (e.g. cells, tissue, biomaterial, bacteria etc.)

Sample Format: (e.g. adherent cells on coverslips, live cells in glass bottom dishes...)

Fluorophores or Dyes:

Resolution Required: (e.g. subcellular, nuclear, cellular, many cells)

Research Aim:

Quantification required (if yes please describe)?
