

**Use the Research Finance honorarium log form when paying research participants**

Need to pay an honorarium to patients or research participants? The Research Finance honorarium log form must be completed and attached to your requisition as a proof of payment. The forms can be found below or on the Research Finance website under 'Reimbursement,' in the table under 'Research Honorarium Forms.'

Links to the forms are below:

- [Honorarium log for multiple participants/patients](#)
- [Honorarium log for individual participant/patient](#)

These forms allow researchers to obtain signatures from their participant or patient, document the value of a payment and track their study.

If you have any questions about this process, please contact [ResearchFinance@smh.ca](mailto:ResearchFinance@smh.ca).
